Let us serve you.

Who's good? Who's reliable?

Who's right for the job? When building, renovating or fixing up, you need to know who to call.

Where to start? Let us, inc. There – that was easy.

Let us, inc. provides a service unlike any other. You could ask us to break ground on your new home, build an addition when your family grows, and clean the gutters when your trees do – or any of the above.

Custom home building, renovations and maintenance – let us serve you.

Ready to build your dream home? Let us. Want to add a sunroom or finish the basement? Let us. Need your windows cleaned or your faucet fixed? Let us.

Let us, inc. is the only answer you need to every question you have about home ownership – whether you're building, renovating, or just need some maintenance done.

As custom home builders, we give discriminating families like yours a one-of-a-kind haven where the living is easy.

As renovation specialists, we turn satisfying homes into thrilling ones.

And as a comprehensive home-maintenance service, we can make your entire to-do list go away with just one call.

So what's on your mind?

TM

Let us serve you. We'll build your home.

Why just build when you can go custom? With Let us, inc., your home will be built to suit your desires precisely, not simply based on an off-the-shelf plan that seems to be the best available option.

Change is inevitable – especially when building a home. With so many decisions to make about something so important, it's only natural that you'll change your mind from time to time. Go ahead – we won't mind. After all, if you don't get it right, what's the point?

Let us build your dream home.

You've thought about it, talked about it, dreamed about it. Now it's time to make it happen – by building the custom home you've always wanted.

Chances are, you've heard that building a home can be one of life's most stressful experiences. Prepare to be pleasantly surprised. When you work with Let us, inc., you'll enjoy undivided attention that can only come from professionals who care about your home as much as you do.

Our goal is to make your home-building experience one of life's most rewarding. Who knows? It might even be a whole lot of fun.

Are you ready to build your dream home? Let us be your dream builder.

Let us so serve you

Finding a contractor for your renovation project isn't too hard. Let us, inc. doesn't just give you what you want – we show you what's possible (and pay attention to what's practical).

Let us handle your renovation.

What would it take to make your house just right? A better kitchen? A bigger bedroom? A brand new layout?

Whatever you envision, Let us, inc. can help you see it clearly – and then create something that looks better than you ever thought possible.

We're experts at spotting the potential in your home and revealing it in a way that respects your budget without compromising your standards. Plus, we'll give you a comprehensive estimate and frequent updates to be sure your project stays on track.

So whether you're adding a half bath or a whole wing, let us lend a hand. Better yet, let us do it all. When you renovate with Let us, inc., you'll want to show off your home all over again.

Some disruption is inevitable with any renovation, but you shouldn't have to put your life on hold. Let us, inc. not only delivers superb craftsmanship and top-notch materials, but also the small courtesies that keep our impact to a minimum.

Let us serve you.

Why deal with multiple service providers when you can let us do every home maintenance chore? We've negotiated preferred rates with the best specialists in the area. Let us get to work for you.

Let us take the hassle out of home maintenance.

Just another handyman service? Hardly. Our employees are full-time professionals who get the job done right the first time. From a cost standpoint, we're competitive with the rest. From a service standpoint, there's no comparison.

At work, you're supposed to be busy. At home, not so much. Problem is, home ownership comes with so many responsibilities that it can easily turn into a part-time job.

So why not delegate your home maintenance hassles to Let us inc.? What do we do? Anything and everything. From painting your family room, to repairing your roof, to cleaning your furnace. Why, we'll even put fresh flowers in your vases if you want.

Just think – no more searching the phone book, juggling contractors or seeking referrals. If you don't have the time, expertise or inclination for the job – any job – one call to Let us inc. will get it done.

So go ahead and enjoy your home (or cottage). Just let us do all the work.

Warning! Delegating home maintenance to Let us, inc. just might change your life. Our customers report less aggravation, more time to spend with family, and lower handicaps on the golf course.

Let us serve you.

You know how do-it-yourself jobs go. Everything takes longer than you planned, costs more than you expected, and doesn't look as good as you hoped. Who needs it? Let us help – because you have better stuff to do.

Sure, we do windows ...

... and carpets and furnaces and plumbing and just about everything else that comes up in the course of home ownership. Here's a partial list of the work our home maintenance team does most often. Got a job that's not here? Just ask.
